MIDWEST HORSE FAIR RESPONSIBILITY

Midwest Horse Fair (MHF) endeavors to make available reasonable assistance to exhibitors to keep them informed, to present a technically competent program of events, and to promote attendance of MHF through advertising and public relations. No representation or warranty as to attendance, publicity, programs, or operation has been made to exhibitor; and any and all such warranties expressed or implied are disclaimed. MHF, sponsors, their agents or representatives of this event do not and cannot guarantee by exhibiting at this event any financial benefit or gain to exhibitors or exhibitor's organization; nor does MHF, or can MHF, guarantee attendance of same. MHF reserves the right to refuse admission to any person(s) in the interest of the safety and welfare of those persons, public, exhibitors or animals.

EXHIBITOR RESPONSIBILITY

Exhibitor shall comply with all local, state and federal laws, regulations and mandates, as well as rules and regulations set forth by the host facility. It is the responsibility of all exhibitors of the Midwest Horse Fair and partnering organizations to abide by the rules and regulations set forth by the Midwest Horse Fair. Failure to adhere may alter or hinder future participation.

MIDWEST HORSE FAIR VALUES

Midwest Horse Fair is an inclusive, family-friendly event which welcomes diversity. MHF does not condone displays or actions which negatively target race, ethnicity, gender, sexuality, identity, age, religion, politics or which support violence. Further, MHF does not condone products and displays which contain profanity or implied profanity.

One-day admission tickets are to be used at the gate. Upon arrival, tickets will be exchanged for a wristband. Wristbands are required for everyone attending MHF (this includes exhibitors, visitors, guests and workers of booths). Tickets are required to enter beginning Friday. No one will be allowed to enter the grounds without a ticket or wristband. Please plan ahead and make sure to have necessary tickets upon arrival.

Food court exhibitors will receive eighteen (18) one-day admission tickets per space. Trailer & Truck Avenue exhibitors will receive eighteen (18) one-day tickets per exhibitor. Additional tickets are available for purchase. No refunds will be given; MHF is not responsible for lost or stolen tickets. Deadline to purchase advance tickets to be mailed to exhibitors is April 8. Advance tickets may be purchased at the Show Office Wednesday, April 17, starting at Noon through 8:00 p.m. on Thursday, April 18.

If the exhibitor packet, which contains the allotment of one day admission tickets, is not picked up at the Show Office on the Day of Ingress, then full admission will be charged at the gate and no refunds will be given. Tickets may be left at Will-Call for your staff/party to pick up (see page 13). Visit www.MidwestHorseFair.com for ticket prices. NOTE: Nightly Shows are NOT included with general admission and require a separate ticket.

ADVERTISING MATERIALS

No person, firm or organization, which has not contracted with MHF for exhibit space in the show, will be permitted to display or demonstrate any products or services, or to solicit orders, distribute advertising or other materials. Any violation of this regulation will result in prompt removal of the offender from the facility at such offender's cost and risk. Exhibitors must remain within their own exhibit space distributing literature, product samples, or other materials.

BOOTH SPACE

MHF Booth Space is not an owned asset of the exhibitor and rental contracts are not guaranteed from year to year. MHF must be notified in writing of any transfer of ownership or change in business name, which will be subject to review. Completion of a New Exhibitor Application may be required. Failure to notify MHF of ownership transfer or name change may result in forfeiture of booth space.

ASSIGNMENT & ALLOCATION:

MHF in its sole discretion will assign exhibit space. Upon submittal of completed renewal and paid deposit, every effort will be made to allocate the same space as prior year. MHF reserves the right to move any exhibitor to another location, in the best interest of MHF, at any time, including during the event. There is no guarantee that a returning exhibitor will be assigned the same space. Locations are assigned on an annual basis. Returning exhibitors may request a different location. Requests may be submitted to move or expand a location and should be noted on the submitted renewal application. Consideration will be given to such a request should space become available. Priority will be given to requests made with deposits paid at fair. No space will be reserved without receipt of a deposit.

AMENITIES (Electricity, Wi-Fi, tables, chairs, etc.):

A sign with booth display name, booth number and an 8' backdrop is included in each indoor booth space. Booth numbers must remain in view. The booth fee does not include electricity or any other equipment. Electricity, tables, chairs, internet connection, draperies, etc. are an additional cost to the exhibitor. MHF does not purchase/provide these amenities. Exhibitors may bring the needed items or contact the Alliant Energy Center (AEC) beginning six months prior to MHF to order online at www.alliantenergycenter.com/exhibitors or call 608.267.3950. Generators are not allowed.

CONSTRUCTION:

Attractive, informational, truthful and attention-getting exhibits which are lawful and appropriate are encouraged. In no event however, shall any exhibit interfere with any neighboring exhibit, in the judgment of MHF. Each exhibitor must provide their own booth furnishings, and may specify their own dependent service contractor for the set up and dismantling of the booth. **Each exhibitor must stay within their contracted booth space.** Displays and products must be contained within the footprint of the booth which is defined by the parameters set forth within the exhibitor contract and extending vertically to the maximum wall height designated below. (i.e. Including but not limited to: waterfalls, trailer hitches, flags, saddle racks and mannequins.) Booth personnel must conduct all business within the allotted booth footprint. The use of audio-visual equipment or any type of public address system is limited to that, in the opinion of MHF, does not adversely affect neighboring exhibits, and is otherwise appropriate. Loud music and strobe lights are prohibited. To comply with the City of Madison Fire Department, aisles must be kept free of obstructions and not used for commercial purposes. Please do not remove the floor tape indicating your booth area and leave the space in the same condition as prior to taking possession.

Any exhibitor that utilizes space outside their contracted space without authorization from Midwest Horse Fair will be billed for the additional space, plus an additional \$200 service charge.

For indoor booths, the maximum height permitted for walls and booth contents for any booth space will be nine (9) feet. The back wall height may extend an additional foot but may not exceed ten (10) feet. NO NAILS OR SCREWS may be used in the floor or wall. No damage of any nature may be done to the booth structures or to any part of the exhibition halls. Exhibitors will be held responsible for damage. Check with Alliant Energy Center staff before any tape is applied to the floor. Absolutely no tape may be applied to the Lobby and Hallway floors of Exhibition Hall.

Booths obtained as part of Sponsorship with MHF are subject to regulations dictated by individual agreements.

CLEANING:

Exhibitors are responsible for keeping their exhibits clean and free from accumulated rubbish and unsafe conditions. Exhibition Hall aisles will be maintained by the AEC personnel. Exhibitor must leave their contracted space in the same condition as when they took possession.

SUB-LEASING:

Sub-leasing or sharing of space and/or assignment or transfer of any right, interest or obligation of exhibitor related to MHF of exhibitor's exhibit space or participation is strictly prohibited by MHF, and any such attempt by any exhibitor is null and void and without effect, other than to violate the rules of MHF.

CANCELLATIONS & REFUNDS

To be eligible for a refund, exhibitor cancellations must be submitted in writing (email or letter form) by January 1. Payments that were processed by credit card are subject to a withholding of a 4% convenience fee from the refund. Any cancellation received after January 1 will not be eligible for a refund. No refunds will be given for spaces unused or early departure.

Midwest Horse Fair has the right to cancel the booth space and forfeit any fees paid of an exhibitor who does not submit the required paperwork or payment to participate at our event by the February 1 deadline.

If an exhibitor fails to occupy their assigned space by 7:30 a.m. on Friday of fair week, MHF shall have the right to cancel the exhibitor contract, the booth fees will be forfeited and they will not be able to return the following year.

DISMANTLE / EGRESS

No exhibit, or any part of an exhibit, may be dismantled, torn down or removed from the assigned space or from the grounds until **5:00 p.m. on Sunday.**

No trailers are allowed to line up at the gate outside the dock until 5:00 p.m. on Sunday!
All exhibits must be fully vacated by 11:00 p.m. on Sunday.

The quality of MHF is largely due to the quality of the exhibitors. Breaking down a booth early is unfair to the attendees, booth neighbors and not allowed by show management.

If an exhibitor breaks down early, there will be a fine of \$250 imposed. In addition, any exhibitor that violates this rule may not be allowed back at the sole discretion of MHF.

Exhibition Hall exhibitors: you may load and unload using the dock at the back of the building, the back doors off the hallway area, the doors on the south side of the building or the doors at the front of the building at the south end of the main lobby. No other doors may be used, and/or propped open for loading and unloading.

EVALUATIONS

It is the mission of MHF to produce a quality, attractive and educational event for all who attend. With this in mind, all booths/exhibitors will be evaluated and/or audited at least once during MHF. Each exhibitor must have their booth manned at all times. MHF and sponsors will not be responsible for unattended booths. It is the exhibitor's responsibility to make employees aware of the impact these evaluations will have on future participation at MHF.

EXHIBITORS

MHF reserves the right to determine the eligibility of any products for display. Commercial exhibitors must list their participating company as exhibitors of record. Eligibility of new products or criteria may also apply by the sole discretion of MHF.

Midwest Horse Fair is an inclusive, family-friendly event which welcomes diversity. MHF does not condone displays or actions which negatively target race, ethnicity, gender, sexuality, identity, age, religion, politics or which support violence. Further, MHF does not condone products and displays which contain profanity or implied profanity.

WEBSITE EXPOSURE

MHF has an outstanding exposure opportunity for exhibitors by adding to the exhibitor web listing. Each exhibitor will receive a basic name listing on the MHF website as part of an exhibitor booth package. Why not take advantage of the thousands of visitors looking for information on the MHF website every month leading up to and after the big weekend? Purchase an extended website listing and have your contact information and a link to your website provided. A full package can include a rotating web ad, product description, photo, logo, website link and contact information! All information will remain on the website through June 30. Visit www.midwesthorsefair.com, call 920.623.5515 or e-mail exhibitors@midwesthorsefair.com.

Bring the ticket(s) to the Show Office and they will be delivered to the Will-Call booth located at the Olin Avenue Gate.
